

NEW DIRECTIONS FOR DEMENTIA CARE REGIONAL FORUM

WESTERN LINKAGES REGIONAL FORUM

Organised by
Western Adelaide Dementia Planning Group
A workgroup of Western Linkages

'New Directions for Dementia Care in the West'

Do you work with clients with dementia in the Western suburbs?
Then this is one of the must-attend regional events of the year !!!!

See what's new and innovative in Dementia Care

Give Office for the Ageing your feedback on issues effecting people with dementia in the West and the services that support them. Participate in the development of the Western Region Dementia Action Plan to best assist our clients in the West.

FORUM HIGHLIGHTS INCLUDE:

- * Innovations in assistive technologies
- * Early Dementia Diagnosis and Management
- * Update on the Statewide Dementia Pathways Framework Project

*OFTA Workshop : Developing the Western Region
Dementia Action Plan*

- * Cultural perspectives on Dementia
- * Current Therapies and Clinical Drug Trials
- * Workforce & Recruitment Strategies
